

UK ATHLETICS RULES FOR COMPETITION 2018 – 2020 PROPOSED RULE CHANGE CONSULTATION

Approximately 40 proposals for rule changes have been received for consideration for the 2018 UKA / IAAF Rule Book. The format of the Rule Book will continue as introduced in 2016. The majority of proposals received will address technical issues, clarify understanding and continue the principle of merging IAAF and UKA Rules whilst ensuring that all domestic issues are retained.

Four proposals are listed below that, if approved, may affect the sport generally and we invite comments from all affiliated organisations to ensure that they are considered fairly. Please use the Rule Change Consultation template and submit your response by
